1. Background

In line with the project's proposal, the consortium of the Erasmus+ project entitled "Weaving innovation among academia and industry in the Tunisian textile sector" with the acronym "WINTEX" -hereinafter referred to as "WINTEX"- will set up an External and Evaluation Committee - hereinafter referred to as "EQEC"- to monitor and evaluate the project's implementation and ensure a neutral review and a consistency assessment of the project deliverables versus project target groups' needs/expectations.

The EQEC will be comprised by four (4) members, established one in the EU, one three (3) in Tunisia.

The present call refers to the one (1) member of the "EQEC" established in the EU, which can be either a natural or legal person.

2. Job Description

Job title: External Quality Evaluator/ member and coordinator of the External Quality Committee.

Job description: The implementation of the External Quality Assessment of the Project in close collaboration with the other three members of the Committee, including:

- the constructive periodic ex-post evaluation of the project implementation, outputs and deliverables using his own tools (e.g. questionnaires, personal interviews) focusing on the respect of the quality plan and providing a specific review of the periodic internal Quality & Evaluation reports, before their final release;
- the coordination of the members of the EQEC for the preparation and delivery of an External Quality Report covering every 12 months as described in the Quality and Evaluation Plan of the Project, providing a synthesis of the contributions, observations and recommendations of all the members of the External Quality Committee.
- any other contribution to the project that derives from the Quality and Evaluation Plan and its possible future amendments or specific requests made by EACEA (Education, Audiovisual and Cultural Agency).

Deliverables: 3 Quality Assessment reports.

Estimated man-days: 15
